

## BEST IN SHOW (AND HORN) AT THE PRINCE WILLIAM COUNTY TOUCH-A-TRUCK EVENT

Space 17 on the County’s parking lot layout never looked so good, featuring a McVAC custom built truck

At the Veterans Memorial Park in Woodbridge, Prince William County, VA, nearly 1,000 visitors attended the annual Touch-a-Truck event where McVAC proudly displayed an eye-catching custom-built hydro-vac truck. The event was interactive and hands-on, allowing visitors to explore various vehicles up close (from fire trucks and police cars to construction vehicles and more). Children climbed inside the trucks, honked the horns, and met the ‘local heroes’ who operate these amazing machines. Steven Bautista, McVAC Virginia Operations Manager commented, “team members Amanda Willard and Dale Provost represented McVAC wonderfully”.

Sat., May 3, 2025 – a long line of visitors waited to clear the “dig tube”, honk the horn and pocket a mini cone!
